Attachment A

45 Riley Switch Road, Phillipston, MA

45 Riley Switch Road is a light grey, two story, one family home, and appears to have a stone façade. There is a chimney on the right side of the home. The home is distinguishable by the large approximately seven or eight foot wooden stockade fence that encloses the perimeter around the home. The home is difficult to see from the street due to the obstruction caused by the fence. There is a large wooden play set in the rear of the house, a white shed, and a light colored Connex box in the corner of the yard closest to the street. The fence around the property has two gates that allow entry and egress from the property. The property is depicted in Attachment A-1.
